Welcome!

Welcome to Girl Scouts of Rhode Island Inc.'s **2010/2011 Program Guide**. Lots of exciting adventures await you! For your convenience, programs are grouped by grade level (see detail below) from youngest to oldest, then by date. Just about all programs are open to all registered Girl Scouts – whether you're on your own, with a friend, or part of a Girl Scout troop.

Remember, you can choose your own path to becoming a "real" Girl Scout. Sign up for an outdoors series designed to perfect your hiking skills, learn how to swim at a session of summer camp, help plan a group trip and travel overseas, collect donations for a Project Undercover event, join an afterschool troop -- or do it all. YOU decide the pathway that's right for you.

Visit our website www.gsri.org for updates to existing programs, new programs and downloadable registration forms. You'll also find a listing of our girl and adult training sessions there.

- Brownie (Grades 2-3)
