STEP 1 – TALK ABOUT CLOVER’S STORY
Read Clover’s story and ask the girls the following questions:
- How did Clover use resources wisely?
- What do you think would have happened to the leftover yogurt and apples if Clover hadn’t suggested making a dip?
- When have you been resourceful? Can you think of other ways to be resourceful?

STEP 2 - MAKE A COLLAGE USING OLD MAGAZINES OR POSTCARDS
Using old magazines, cut out pictures of flowers and create a new Flower Friend. You can give her a name, a place where she lives and a family too!

STEP 3 – PRACTICE BEING RESOURCEFUL
Make a recipe using leftovers
Leftover Pizza
Take a slice of leftover pizza and slice it into sticks. Add some from a store-bought jar sauce in a Mini Dipper, to dip the slices in.
Leftover cooked/grilled sausage
Slice leftover grilled Italian sausage into bite-sized pieces and serve it with sliced cheese, fruits and other bite-sized snacks.
Leftover Pancakes
Create a peanut butter sandwich using leftover pancakes as bread, and provide a little syrup for dipping.
