

THE ONE, THE ONLY, THE ORIGINAL

Girl Scout Day

Bring your Girl Scouts of All Ages!
Thursday, April 15 @ 7:30pm
Boston's Colonial Theatre

Tickets just \$27.00

**Broadway Across America – Boston welcomes
the Girl Scouts for a special performance of CATS!**

The day includes the chance to earn a Broadway Across America patch and have a theatre adventure with Girl Scouts from the area. Tickets are limited, have your troop leader order today!

Complete these exciting steps to earn a Broadway Across America Patch!

1. Attend a performance of CATS on April 15, at 7:30pm. We have set aside seats just for the Girl Scouts!
2. Be prepared to pose for a picture with Girl Scouts from around New England
3. Take a special tour of Boston's Colonial Theatre
4. The story for CATS was inspired by the poetry of T.S. Eliot in his collection *Old Possum's Book of Practical Cats*. Look up some of these poems and compare them to some of the characters you see illuminated on stage.
5. CATS personifies feline characters living in an urban alley setting. With your troop, brainstorm some ways you can help animals without homes in your own area. With the help of your troop leader, put that plan into action.
6. Before the show, attend a special meeting with the Animal Rescue League of Boston. Talk about ways you can help care for your pet and get involved with the animal community in your own neighborhood.

**Visit www.eventusher.com and use password GSCOUTS10
to purchase your tickets today!**

Note: Patches will be distributed with tickets to your performance on 4/15/10. No other dates or performances can be purchased with this offer. Patch requirements will be monitored by troop leaders. You will be contacted with specific details regarding the Girl Scout theatre tour and Animal Rescue League meeting following the close of this offer.

Deadline to order is March 31, 2010. Tickets are non-refundable or exchangeable.
